10 Sec. 4. In this Act:

11 1. "Department" means the Department of Financial and
12 Professional Regulation.

13 2. "Secretary ~~Director~~" means the Secretary ~~Director~~ of
14 Financial and Professional Regulation.

15 3. "Physician assistant" means any person not a physician
16 who has been certified as a physician assistant by the National
17 Commission on the Certification of Physician Assistants or
18 equivalent successor agency and performs procedures under the
19 supervision of a physician as defined in this Act. A physician
20 assistant may perform such procedures within the specialty of
21 the supervising physician, except that such physician shall
22 exercise such direction, supervision and control over such
23 physician assistants as will assure that patients shall receive
24 quality medical care. Physician assistants shall be capable of
25 performing a variety of tasks within the specialty of medical

1 care under the supervision of a physician. Supervision of the
2 physician assistant shall not be construed to necessarily
3 require the personal presence of the supervising physician at
4 all times at the place where services are rendered, as long as
5 there is communication available for consultation by radio,
6 telephone or telecommunications within established guidelines
7 as determined by the physician/physician assistant team. The
8 supervising physician may delegate tasks and duties to the
9 physician assistant. Delegated tasks or duties shall be
10 consistent with physician assistant education, training, and
11 experience. The delegated tasks or duties shall be specific to
12 the practice setting and shall be implemented and reviewed
13 under guidelines established by the physician or
14 physician/physician assistant team. A physician assistant,
15 acting as an agent of the physician, shall be permitted to
16 transmit the supervising physician's orders as determined by
17 the institution's by-laws, policies, procedures, or job
18 description within which the physician/physician assistant
19 team practices. Physician assistants shall practice only
20 within the established guidelines.

21 4. "Board" means the Medical Licensing Board constituted

3 Act, the primary supervising physician of a physician
4 assistant, who, within his specialty and expertise may delegate
5 a variety of tasks and procedures to the physician assistant.
6 Such tasks and procedures shall be delegated within established
7 guidelines. The supervising physician maintains the final
8 responsibility for the care of the patient and the performance
9 of the physician assistant.

10 8. "Alternate supervising physician" means, for the
11 purpose of this Act, any physician designated by the
12 supervising physician to provide supervision in the event that
13 he or she is unable to provide that supervision ~~for a period~~
14 ~~not to exceed 30 days unless the Department is notified in~~
15 ~~writing.~~ The Department may further define "alternate
16 supervising physician" by rule.

17 The alternate supervising physicians shall maintain all
18 the same responsibilities as the supervising physician.
19 Nothing in this Act shall be construed as relieving any
20 physician of the professional or legal responsibility for the
21 care and treatment of persons attended by him or by physician
22 assistants under his supervision. Nothing in this Act shall be
23 construed as to limit the reasonable number of alternate
24 supervising physicians, provided they are designated by the

5 although a physician assistant shall be able to hold more than
6 one professional position. Each supervising physician shall
7 file a notice of supervision of such physician assistant
8 according to the rules of the Department. However, the
9 alternate supervising physician may supervise more than 2
10 physician assistants when the supervising physician is unable
11 to provide such supervision consistent with the definition of
12 alternate physician in Section 4. It is the responsibility of
13 the supervising physician to maintain documentation each time
14 he or she has designated an alternative supervising physician.
15 This documentation shall include the date alternate
16 supervisory control began, the date alternate supervisory
17 control ended, and any other changes. A supervising physician
18 shall provide a copy of this documentation to the Department,

21 physicians as defined in this Act who are engaged in clinical
22 practice, or in clinical practice in public health or other

16 of a physician engaged in clinical practice and direct patient
17 care. Duties of each physician assistant employed by such
18 Departments are limited to those within the scope of practice
19 of the supervising physician who is fully responsible for all
20 physician assistant activities.

21 A physician assistant may be employed by a practice group
22 or other entity employing multiple physicians at one or more
23 locations. In that case, one of the physicians practicing at a
24 location shall be designated the supervising physician. The
25 other physicians with that practice group or other entity who
26 practice in the same general type of practice or specialty as

1 the supervising physician may supervise the physician
2 assistant with respect to their patients without being deemed
3 alternate supervising physicians for the purpose of this Act.
